NARRATIVE:

Jesus Ramirez is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include possession of a dangerous weapon, felon in possession of a firearm, multiple cases of assault with a deadly weapon causing great bodily injury, multiple cases of receiving known stolen property, possession of a hypodermic needle, trespassing with threat, bicycle theft, contributing to the delinquency of a minor, disorderly conduct and failing to report. He has served multiple prison terms the longest being a six year term for felon in possession of a firearm. Ramirez was released from state prison to the supervision of the Los Angeles County Probation Department on October 29, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2015 after he absconded from post release community supervision (PRCS). Ramirez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for receiving stolen property is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
